Reclining Office Chair

- * Backrest recline between 90 to 170 degrees
- * Multilocking at any angle

Adjustable Headrest

polyurethane fabric material

Seat Slider Mechanism

Ergonomic Lumbar Support

Adjustable Footrest

3D PU Armrest

90 degrees is very comfortable when used in your work activities in the office, because it is supported by a very ergonomic lumbar

170 degrees, giving you the most comfortable position when you spend your time taking a short break in your work space, supported by mesh material on the backrest, adding to the comfortable impression of this chair

145 degrees, this angel is very comfortable to use when you are in a position to read a book, and makes you comfortable for long periods of time reading a book
